JOINT MOTION TO VACATE TRIAL AND STAY PROCEEDINGS

The Court’s Final Pretrial Order dated May 25, 2023, ECF No. 145 (“Order”), directed trial to commence on June 6, 2023. Order at 1. On June 4, 2023, the parties reached a tentative settlement agreement, subject only to approval by the United States Department of Justice, which would completely resolve Plaintiff’s claims. Thus, the parties request the Court vacate the June 6, 2023, trial date and order a stay of further proceedings.

The parties agree that if settlement does not occur for any reason and the case is re-set for trial, the current trial posture of the case will be fixed—that is, neither party could add witnesses, exhibits, or issues, unless mutually agreed to by the parties.

For the foregoing reasons, the Parties respectfully request that the Court: (1) vacate the June 6, 2023, trial; (2) issue an order staying this case pending review by the United States Department of Justice of the proposed settlement; and (3) issue an order adopting the parties’ proposal that the trial posture of the case be frozen in the event that the case is re-set for trial.

Respectfully submitted on June 4, 2023,
